

Ebola Virus Disease (EVD) PPE Resources and Training Information Sheet
PHP and HPP Capability 14 - Responder Safety and Health
December 2015

Note: Other than the resources provided by MDH or the U.S. Federal Government, the Minnesota Department of Health (MDH) does not endorse one Ebola Virus Disease (EVD) model, training*, or resource for first responder Personal Protective Equipment (PPE) over another. These documents/websites are provided for information, and as samples for your review and reference.

**MDH will be developing additional training as a part of current grant funding, information will be provided as it becomes available.*
