

Saving Lives through a Coordinated Response to a Hostile Event- TRAINING AND EXERCISE

April 17th & 18th, 2020

Friday: 6 p.m. - 10 p.m.

Saturday: 730 a.m. - 430 p.m.

*** required to attend both days**

Funded by the MESB

The first thirty minutes can be a critical time to evacuate the injured and save lives. Using the most advanced techniques in medical, tactical and rapid incident management, this 1½ day training will give participants the practical skills needed to respond to hostile events including post blast and active shooter incidents.

Target Audience:

- **Limited to a multidisciplinary group of Fire, EMS, and Law Enforcement responders from organizations and jurisdictions within Minnesota with preference to those from the Metro region.**
- **Leadership and trainers from the area who may be involved in or planning for the response to an event that involves post blast explosives or an active shooter event.**

Instructors:

Regional experts from the Military, SWAT, Emergency Management, Bomb Squad, Police, Fire/Rescue and EMS

Location: Burnsville, MN

Friday, April 17th, Berean Baptist Church, 309 County Rd 42 E, Burnsville
Saturday, April 18th, Berean Baptist Church, 309 County Rd 42 E, Burnsville

FEMA Course MN-005-RESP

P.O.S.T Board Approved –12 hours

- Free of charge to the target audience that is covered under grant funding.
- Lunch and refreshments included on Saturday.

This class includes both classroom and hands-on instruction
