# ICS 400:

## Advanced Incident Command System, Command and General Staff-Complex Incidents

Metro Region  
EMS System

This course is a NFA, FEMA, USDA and NWCG approved course. After the completion of this course, you will understand how NIMS components support the management of an expanding incident. This course expands upon material covered in IS 100, 200, 700 and ICS 300. The course addresses area command and staff issues, as well as the planning, logistical and fiscal considerations associated with complex incident management and inter-agency coordination. This course meets the NFA, FEMA, USDA and NWCG requirements.
