

Saving Lives through a Coordinated Response to a Hostile Event- TRAINING AND EXERCISE

MARCH 11 & 12, 2022

Friday, March 11: 1800-2200

Saturday, March 12: 0700 - 1630

*** MUST ATTEND BOTH DAYS FOR 12HRS CE CREDIT***

The first thirty minutes can be a critical time to evacuate the injured and save lives. Using the most advanced techniques in medical, tactical and rapid incident management, this 1½ day training will give participants the practical skills needed to respond to hostile events including post blast and active shooter incidents.

Target Audience:

- **Limited to a multidisciplinary group of Fire, EMS, and Law Enforcement responders from organizations and jurisdictions within Minnesota with preference to those from the adjoining HSEM Regions.**
- **Leadership and trainers from the area who may be involved in or planning for the response to an event that involves post blast explosives or an active shooter event.**

Instructors:

Regional experts from the Military, SWAT, Emergency Management, Bomb Squad, Police, Fire/Rescue and EMS

Location: Zimmerman, MN

Friday, 3/11/2022: Zimmerman High School, 25900 4th St. W., Zimmerman, MN 55398

Saturday, 3/12/2022: Zimmerman High School, 25900 4th St. W., Zimmerman, MN 55398

FEMA Course MN-005-RESP

P.O.S.T Board Approved –12 hours

- Free of charge to the target audience that is covered under grant funding.
- Lunch and refreshments included on Saturday.

This class uses lecture and hands-on simulation instruction.
