1. Call to Order

The meeting was called to order at 7:00 a.m by MMRTAC Chair Jon Gipson.

2. Roll Call

Roll call occurred.

3. Approval of Agenda

Motion made by inaudible on recording, seconded by inaudible on recording to approve the May 2026 MMRTAC meeting agenda. Motion carried.

4. Approval of Minutes of Previous Meeting

Motion made by inaudible on recording, seconded by inaudible on recording to approve the February 2026 MMRTAC meeting minutes. Motion carried.

5. Discussion Items

a. Trauma/ECMO Update

Members of the MMRTAC committee discussed the ECMO and Trauma ED Evaluation UMMC Guideline. The guideline will be uploaded to the MMRTAC page on the website.

b. STAC/RTAC Update

The members met in March 2026 and discussed the trauma data report for metro hospitals.

Metropolitan Emergency Services Board

This will be a quarterly report. Please confirm the data matches your expected numbers.

c. TQUIP Collaboration Spring 2026 Report

The members of the MMRTAC committee were presented with a quick PowerPoint highlighting the key takeaways from the TQUIP spring 2026 Collaborative report.

d. Peds Workgroup

The Peds workgroup will be getting back together to work on updating information. More to come soon.

e. Geriatric Workgroup

The geriatric workgroup resources have been posted on the MMRTAC page on the website. There are currently no new projects solidified.

f. MDH Grant

Greg Hayes said \$8,000 of the MDH grant have been used to purchase tourniquets for the Minnesota State Fair and Stop the Bleed trainings. There are additional EMS grants available to cover the group's remaining needs.

g. Web Site Update

All MMRTAC resources are available on the website. Please reach out to Hayes with additional resources/edits for the current website documents.

h. Stop the Bleed

Stop the Bleed training continues across the metro region in schools, workplaces, and communities. Please keep track of these trainings for MMRTAC data purposes. Stop the Bleed will have a booth at the Minnesota State Fair with interactive offerings on tourniquet use.

i. MDH Update

There are no new updates.

j. Level 3 and 4 Updates

There are no new updates.

6. Adjourn

The meeting was adjourned at 8:22 a.m.
